**The RenWeb/FACTS merger is now complete!** Facts Management is now live. Parents that preferred to log into their ParentsWeb account from a bookmark or from a link on the SGGs website can continue to do so. Parents that preferred to log into their ParentsWeb accounts from RenWeb.com should now go to [FACTSgmt.com](http://FACTSgmt.com). Select Parent Log In and then FACTS Family Online (ParentsWeb) from the dropdown in the upper right hand corner. The RenWeb Home app name is not changing and parents will still have access to the app. They may see cosmetic changes, such as a new logo. No matter how parents choose to log in given the above options, their credentials (username and password) will remain the same. This change does not affect the functionality of our parent products in any way.
